

Catholic Charities Sanctuary for Life is just that ... a Sanctuary. Pregnant women in crisis live in community with a house mother, mentor each other, and receive medical care, nutritious meals and counseling. They leave the house employed and ready to care for their newborn babies. Live your pro-life beliefs and help. Here's how:

- Donate cash or items listed on the back of this card
- Help with property and lawn maintenance
- Prepare and serve a home cooked meal
- Teach a skill or interest to the residents
- Mentor a SFL resident during her pregnancy or after she becomes a mother
- Drive a SFL resident to school or doctor appointment
- Offer jobs to new mothers
